

DONATE TO POWER FOR STUDENTS

Help brighten the future for Athens City Schools students and teachers by contributing to the Athens City Schools Foundation Power for Students Program. Giving is easy! Simply complete the form at acsf.acs-k12.org/powerforstudents to have a monthly donation of any amount added to your Athens Utilities bill. Rest assured that your contribution is being put to good use in our schools by supporting the violin program, teacher classroom grants, and helping students that have needs that develop during the school year that cannot be met by their families. Give as little or as much as you feel called to share. Since the Athens City Schools Foundation is a 501 (c) organization, your donation is tax-deductible. Together we really do make a difference. Questions can be directed to the Athens City Schools Foundation at foundation@acs-k12.org.
